

**July 7, 2011**

Newspapers: Great Falls Tribune, Cut Bank Pioneer Press

Dear Editor:

Please place the following notice in the legal publication section of your newspaper for one time.

**Legal Notice**

On June 29, 2011, the Department of Environmental Quality (DEQ) received an application from Montana Alberta Tie Ltd. and MATL LLP., co-permittees for the Montana Alberta Tie Transmission Line, to amend their Certificate of Compliance. The Certificate of Compliance authorizes construction and operation of the Montana portion of a 230-kV line between Great Falls and the Montana-Alberta border northeast of Cut Bank.

If approved, the certificate amendment would allow modification of the location for the line in one area: a 0.6-mile relocation approximately 1.5 miles southeast of Cut Bank, MT (T33N, R5W, Sections 17, 19 and 20) potentially affecting property owned by Shirley Salois. DEQ has prepared an environmental assessment (EA) on the proposed amendment which is available for review and comment. The EA is available from DEQ's web site: <http://deq.mt.gov/MFS/MATL.mcp>

This EA has been posted to DEQ's website for public comment. It may be revised based on public comment. Comments may be mailed to:

Tom Ring  
Montana Department of Environmental Quality  
Facility Siting Program  
PO Box 200901  
Helena, MT 59602-0901  
or emailed to [tring@mt.gov](mailto:tring@mt.gov)

Comments will be accepted no later than July 13, 2011. For more information contact Tom Ring at 406-444-6785.

---

To expedite payment, please send your *invoice, tear sheet, and affidavit of publication* to the attention of **Richard Morrow** at the address below. Please indicate that the bill applies to **requisition number 50312.003**. Thank you.
